FALL MOD PROGRAM DESCRIPTION

Modified Soccer (08 – 12)

The “Modified” program is for 8 - 12-year old’s and provides a progressive development path leading up to full field 11-a-side play. Using smaller fields, smaller team sizes, and modified rules, the “Mod” program gives players more opportunities with the ball and involvement in the game, which enhances their skill development. Games are played on Saturdays. The volunteer parent coaches determine practice schedules.

Volunteer Coaches Needed

A lack of coaches sometimes causes us not to be able to provide a team for registered players. To ensure that everyone has a team to play on we rely on volunteer coaches. ***Please consider guaranteeing your child a team to play on and volunteer to coach.*** If you would like to help coach your child’s team, please indicate this on the registration form or email Tiffany Leone at tumwatersoccerclub.registrar@gmail.com if you have questions. You do not need to be a skilled soccer player or have intimate knowledge of the game to get started. Enthusiasm and the desire to provide guidance to our youth and future leaders is all that is necessary. TSC and affiliated clubs provide various training programs and services for our volunteer coaches.

Coaches can register on-line at www.tumwatersoccerclub.org. Head Coaches **only** receive half off their child’s registration fee for volunteering.

The Tumwater Soccer Club

The Tumwater Soccer Club (TSC) is dedicated to serving youth soccer in the greater Tumwater area. The club follows guidelines set by the Washington Youth Soccer and is a member of the Thurston County Youth Soccer Association (TCYSA – www.thurstoncountysoccer.com). The Tumwater Soccer Club is a volunteer organization and is always looking for people interested in being Board Members or Coaches. Tumwater Soccer Club board meetings are held once each month (except December). Meeting dates can vary, so check our meeting schedule on the internet at www.tumwatersoccerclub.org. ***Volunteers are always needed to help us to continue this great recreational soccer program for our kids.*** Please join us in helping your children enjoy this terrific sport!
